Dear David –

Thank you for your email, and I apologize for the delayed reply. I have been authorized on behalf of all the parties in this case to report to you that on June 15, 2020, the parties informed the Commission that they were in the final stages of settlement discussions. In the event that the parties are unable to reach a final settlement agreement to present to the Commission for approval, we anticipate that it will take approximately two weeks to complete the proceeding.

If you have any questions or need additional information, please do not hesitate to contact us.

Chad

Memorandum to Chad Burgess, Esquire, and Counsel for the Intervenors and the Office of Regulatory Staff:

As you are well aware, the merits hearing in the above-noted Docket is set to resume in July. The Commission Staff has begun preparations for the resumption. I have a question which may be difficult to answer at this point, but I have to ask it nonetheless. For planning purposes and general information, do the parties have any idea as to how long the remainder of the case will last? I would be fine, of course, with best guesses. I believe we were still proceeding with Company witnesses when the Commission recessed the case. Anyway, I would appreciate having your thoughts on this matter.

Thanks and regards to all,

David Butler
